

Chris Backs Herald's Sir Robert Peel Petition

Sign our PETITION to save Tamworth hospital services

TAMWORTH'S health service has been dealt a major blow with the news that the Minor Injuries Unit at the Robert Peel Hospital could close altogether.

Now we want YOU to join us to help protect this vital local service, which is valued by the whole community.

News of the potential closure comes just eight months after the MIU's opening hours were slashed.

Health chiefs have promised that if it DOES close, it will be replaced with 'something better'.
