

Christopher Pincher pays tribute to Amington Fête Organisers

Christopher Pincher, Member of Parliament for Tamworth paid fulsome tribute to the organisers of the Amington Fête held last Saturday.

Despite the rain many local people turned out to support their community.

Mr Pincher said:

"It was great to see the Community Café going strong, Dig-It, our local dyslexia help group with a stall, as well as Spoken Parents which helps kids with extra needs and the Community Youth Club all in evidence."

"Amington's Fête is a stalwart of our town's summer calendar and I am really pleased that despite some pretty awful weather at times, so many people including our mayor, turned out to support it. Well done to everyone who gave up their time to plan and run the day."
